

WEALTH MANAGEMENT COMPANY OF THE YEAR

Groupe Quinze - Gestion Privée

Established in 2007, Groupe Quinze – Gestion Privée deals exclusively in wealth management for individuals and companies throughout France. The Strasbourg-based wealth management company manages over €120 million in assets on behalf of more than 250 clients. Founding director Christophe Brochard chairs the company, and leads a team with a vast array of financial advisory and asset management expertise. This team prides itself on its track record for working closely with each and every client to support them in the development and security of their financial assets. Such a personalised approach ensures a bespoke strategy that considers the client's primary objectives as well as their level of risk tolerance. Groupe Quinze has therefore built a strong reputation for being an independent, efficient, and transparent firm in this manner, by delivering considered advice with a pragmatic approach.

The judges were particularly impressed by the company's impeccable use of software. By using Groupe Quinze's digital applications, clients can seamlessly manage all their investments, bank accounts, life insurance and financial investments, as well as their real estate assets. Combined with the expert guidance of the team at Groupe Quinze, this provides clients with one of the most convenient and effective private banking and investments experiences.

“

Groupe Quinze offer their clients impeccable wealth management services, backed by years of experience and fully enabled by convenient digital solutions.
